

Suprox® Concentrate

This versatile, highly concentrated, multi-purpose cleaner contains stabilized hydrogen peroxide and natural citrus solvents to provide highly effective cleaning for many surfaces including glass, restroom fixtures, tile and grout, counters, floors, and carpets. The hydrogen peroxide formulation in Suprox Concentrate also aids in brightening grout and enhancing the appearance of tiled surfaces.

- Cleans with the power of peroxide.
- Versatile product saves time and money.
- Reduced toxicity.

Technical Specifications

Appearance	Clear Liquid
Dilution Rate	1:256 - 1:20
Color	Colorless to light yellow
Scent	Citrus
Non Volatile Matter	6 - 8%
pH @ 25 deg. C	3.50 - 4.60

HMIS (Concentrate/RTU)

Flammability = 0 Health = 3 Reactivity = 1

Certifications, Registrations & Notes

CRI Certified

The CRI Seal of Approval program tests cleaning effectiveness. Solutions are tested on overall cleaning effectiveness and the following criteria: rate of resoiling, pH level, surface texture change, optical brighteners and colorfastness.

NSF Registered

NSF A1, Nonfood Compound, Cleaning Products, General Cleaner NSF A4, Nonfood Compound, Cleaning Products, Floor and Wall Cleaner NSF C1, Nonfood Compound, Nonprocessing Area Product, General

Safety

See material safety data sheet and product for safety information, handling and proper use.

Availability

HIL0011006	4 - 1 Gallon Containers
HIL0011009	1 - 55 Gallon Drum
HIL0011015	1 - 15 Gallon Drum
HIL0011028	1 - 30 Gallon Drum

Directions

Use on washable, nonporous surfaces. To conserve energy always use cold tap water.

Light cleaning: Windows, countertops, stainless steel, and damp mopping. Use at 1:256 dilution (1/2 oz./gal. of water).

General purpose cleaning: Mopping restroom floors, heavily soiled floors, general carpet spotting*. Use at 1:128 dilution (1 oz./gal. of water).

Heavy Duty Cleaning: Spray cleaning restrooms such as urinals, bowls, counters and fixtures, shower and locker cleaning, and general degreasing. Good for deodorizing urinals, toilet bowls, counters, fixtures, garbage containers, and for heavy carpet spotting. Use at 1:20 dilution (6 oz./gallon of water). A potable water rinse is required after contact with food contact surfaces.

Directions for use as a Carpet Pre-Spray:

1. Vacuum the floor thoroughly. 2. Mix 5 ounces with 1 gallon of water. Apply to carpet with a pump style sprayer. Light agitation of carpet with a carpet brush will increase cleaning efficiency. Let product dwell for 5 minutes before extracting. 3. Wait overnight for the carpet to dry before walking on it. To dry thoroughly, open windows and use fans. 4. Once the carpet is completely dry, vacuum the carpet thoroughly.

***Notice:** Before carpet spotting, test product in an inconspicuous area to ensure compatibility. Do not use with ammonia or bleaches.
