

Britenz-It

Tackle greasy floors with an everyday, no-rinse floor cleaner fortified with grease-eliminating enzymes. Britenz-It has a unique formulation of surfactants and bacterial enzymes that work continuously to eliminate the greasy buildup that causes dirty and slippery floors. The no-rinse formula allows the specially formulated bacteria blend to produce grease and food eliminating enzymes that will continually work to clean the floor – as long as soil is present. Formulated to be used with cold water, saving energy. And, no- rinsing can conserve thousands of gallons of water per year.

- Continuous cleaning after application 24/7
- Improve safety
- Cost effective concentrated formula

Technical Specifications

Appearance	Clear to slight opaque
Dilution Rate	1:64
Color	Purple
Scent	Outdoor / Ozone
Non Volatile Matter	6.30 - 8.30%
pH @ 25 deg. C	8.00 - 9.50

HMIS (Concentrate/RTU)

Flammability = 0	Health = 1	Reactivity = 0
------------------	------------	----------------

Directions

This product should be inverted before use (before being diluted for cleaning). Use daily for continual cleaning and removal of grease on kitchen floors. Wipe up spills and sweep floor before applying. Prepare solution mixing 2 oz of Britenz-It with one gallon of fresh water. Mop Britenz-It on liberally and allow to soak into any soils on the floor. Scrub floor with a brush if needed. Mop up excess solution or squeegee into a floor drain. Do not rinse.

Safety

See material safety data sheet and product for safety information, handling and proper use.
