4 - 1 Gallon Containers

Directions

DISHWASHING – Add one gallon of hot water to 1 oz. of Premium Hand Dish Liquid in sink. Soak dishes, rinse in hot water, and drain. Scrubbing is normally not required.

POTS AND PANS – Pour ½ oz. of Premium Hand Dish Liquid in each pot and pan and add hot water. Allow to soak while washing dishes. Wash pots and pans, rinse in hot water. No hard scouring needed.

FABRICS – Add 1 oz. of Premium Hand Dish Liquid to one gallon of lukewarm water. Squeeze the suds through the fabrics, and rinse in lukewarm water.
