

# Hand Defense Skin Moisturizer

Hand Defense Skin Moisturizer helps restore moisture in the skin. Dry, cracked skin gives way to harmful, illness-causing irritants, dirt and germs while letting essential oils and moisture escape.

Keeping the outer layer of skin clean and moisturized helps the skin stay intact, keeping illness-causing irritants, dirt, and germs at bay. For use with Hand Defense 1250 dispenser HIL22298. Also works with Affinity manual dispensers, HIL22280 and HIL22281.
