

Foaming Restroom Cleaner

For use specifically with The Connect System foaming attachment, item number HIL99611. Formulated to remove stubborn soap scum, urinary salts, body oils, and hard water deposits in restrooms and shower areas. Its special blend of detergents, mild acid cleaners, and ability to cling to vertical surfaces delivers excellent results, every time.

- Quickly removes soap scum, hard water deposits and shower residue.
- Foaming action for extended contact time for better cleaning.
- Free rinsing surfactants-no residue left behind.

Directions

DIRECTIONS FOR USE:

For removal of tough soils from restrooms, shower rooms, urinals, sinks, and other restroom fixtures.

1. For use with Hillyard Connect portable dispensing unit. Remove shipping cap and attach dispenser by screwing onto the neck of the bottle.
2. Fasten special foaming gun attachment to the front of the gun first by removing the hose fill then reattaching the foaming device.
3. Dispense diluted product directly to surface.

Safety

See material safety data sheet and product for safety information, handling and proper use.
