Directions

For cleaning windows, mirrors, windshields, TV screens, CRT screens, porcelain, plastic, enamel, countertops, Formica, restroom fixtures, and stainless steel. Leaves glass squeaky clean. Effective as an all purpose spray and wipe cleaner. Spray away soil, streaks, smudges, and smears on glass, mirrors, appliances, and all other surfaces not harmed by water.

RECOMMENDED FOR: Glass, mirrors, computers, office equipment, acrylic surfaces.

DILUTION: 1:20 (6 oz./gallon).

DIRECTIONS: Use trigger sprayer, holding 6-8 inches from surface. Always work from bottom up. Wipe dry with towel or cloth. For best results use micro fiber cloth.

SPECIAL INSTRUCTIONS: When used on sensitive electrical equipment such as computers and CRT screens always spray on paper towel or clean cloth and then wipe area to be cleaned. To conserve energy always use cold tap water.
