

# Bowl Cleaner

Bowl Cleaner is the simple, effective approach to eliminating tough toilet bowl cleaning problems. It is packaged in convenient, water-soluble, premeasured pouches that go to work quickly removing stubborn soils, lime scale, and urinary salts. Just add one packet of Bowl Cleaner to the toilet bowl, allow product to work for ten minutes, and then scrub with a bowl swab. When finished, simply flush bowl to rinse.

- High foaming action breaks down soil.
- Pre-measured, water soluble packets.
- Leaves a pleasant fragrance.

## Technical Specifications

Appearance	Powder with Crystals
Dilution Rate	1 PAC/TOILET
Color	Blue
Scent	Baby Powder
Non Volatile Matter	n/a
pH @ 25 deg. C	(1% Solution) 7.20

## Safety

See material safety data sheet and product for safety information, handling and proper use.

## HMIS (Concentrate/RTU)

Flammability = 0

Health = 2

Reactivity = 0

## Availability

HIL00830

2 - 90 Packet Containers

## Directions

Flush bowl before cleaning. For routine cleaning, add one packet to bowl. Foam will appear in 15 seconds. When foam covers water surface, swab bowl inside and out, devoting special attention to underside of rim, water outlets, and lower area. For maximum cleaning, allow Bowl Cleaner to remain in bowl as long as possible.

**NOTE:** Do not remove packets from container before use. Do not handle packets with wet hands. Reseal container after removing packets. Store in a cool, dry place. Do not mix with any other cleaning products, especially bleach products, as this may cause a reaction that emits chlorine gas.
