

# Clean Action® II

A high-quality, concentrated, low-foaming carpet extraction cleaner. It is specially formulated to deliver deep cleaning action...right to the base of the fibers. Clean Action II is formulated to enhance carpet color without leaving an oily or greasy residue to dull colors and attract unwanted dirt.

- Low foaming to minimize re-soiling residue.
- No oily or greasy residue left behind.
- Phosphate free with a fresh floral fragrance.

## Technical Specifications

Appearance	Slightly Hazy
Dilution Rate	1:128

Non Volatile Matter	3.00 - 4.00%
pH @ 25 deg. C	9.00 - 10.00
5th Gen Carpet	5th Generation Carpet Safe

## HMIS (Concentrate/RTU)

Flammability = 2      Health = 2      Reactivity = 0

## Directions

- Place Wet Floor signs in area to be cleaned.
- Remove furniture. Vacuum carpet thoroughly to remove dry soil.
- Dilute cleaner in the extractor at 1 oz per gallon with hot water. Test cleaner solution for colorfastness and effect on texture on an inconspicuous area before cleaning.
- Extract with hot water, not to exceed 150°F (66°C). Move the self-contained extractor or wand over the carpet pile very slowly.
- Allow carpeting to thoroughly dry before replacing furniture, removing Wet Floor signs, and opening to traffic. Air blowers will aid in this drying process. When replacing furniture, use leg pads to prevent rust or furniture stains.

## Safety

See material safety data sheet and product for safety information, handling and proper use.
