

Carpet Debrowner II

A unique, extra strength treatment formulated for easy removal of browning in carpet. It works fast to remove browning, set colors, and to reduce fugitive dyes. Carpet Debrowner II is effective for removing coffee, tea, urine, and yellow oxidized stains from light colored carpet. It works on all carpet, except dark or Advanced 5th Generation Stain Resistant carpets. Carpet Debrowner II is also an excellent choice for removing water spots from carpet.

- Quickly removes browning in carpet.
- Easily applied with a pump-up or hand sprayer.
- Can be used for removing water spots from carpet.

HIL0090704 12 - 1 Quart Bottles

Directions

1. Place Wet Floor sign near spot.
2. Test for colorfastness and effect on texture on an inconspicuous area before applying to spot.
3. Remove spots as soon as possible. Apply HILLYARD CARPET DEBROWNER II to spot and allow to set for one minute.
4. Agitate with a bone scraper.
5. Blot with absorbent toweling.
6. Apply HILLYARD CARPET SPOTTER and allow to set for one minute.
7. Agitate with a bone scraper.
8. Blot with absorbent toweling.
9. Rinse with water and blot dry with absorbent toweling. Use tamping brush on towel for better absorbency. If available, rinse with an extractor until all residue is removed.
10. Allow area to thoroughly dry before removing Wet Floor sign. An air blower will aid in this drying process.
