

Carpet Booster

Non-chlorine, oxygen-based, granular cleaner that brightens colors and removes mild yellowing in carpets. Carpet Booster goes to work immediately and gives carpets a bright, crisp look without the use of optical brighteners. Mix Carpet Booster in an extractor solution tank with Hillyard Clean Action® II or Hillyard HD Extraction, or pre-spray directly on carpet. Note: Not recommended for use on stain-resistant carpets. 2 lb. Container.

- Non-chlorine, oxygen-based granular cleaner.
- Cleans, brightens & deodorizes carpets.
- Versatile.

Each

Directions

One scoop of Carpet Booster equals one ounce.

For use with carpet extractor: Add one or two ounces per gallon of water to extractor along with Clean Action II or HD Extraction.

For use as a carpet spotter and deodorizer: Dissolve 1 to 2 ounces of Carpet Booster in one quart of warm water. Spray solution on spot, wait 2 minutes for contact time, then rinse.

To remove mild yellowing or darkening: Extract carpet with a solution of Carpet Booster mixed 4 ounces per gallon in extractor solution tank. Rinse with plain water.

Other uses: Cleaning grout - mix 2 to 4 ounces per gallon of water and apply to grout. Let stand for 10 minutes, scrub, then rinse thoroughly.
