## **Certifications, Registrations & Notes**

Green Seal™ Certified

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

#### **Directions**

Use trigger sprayer, holding 6-8 inches from surface. Always work from bottom up. Wipe dry with towel or cloth. For best results use micro fiber cloth.

SPECIAL INSTRUCTIONS: When used on sensitive electrical equipment such as computers and CRT screens always spray on paper towel or clean cloth and then wipe area to be cleaned. To conserve energy always use cold tap water.
