# **Green Select Degreaser Cleaner**

Green Seal Certified. Green Select Degreaser Cleaner will clean walls, kitchen floors, resilient tile, tables, and machinery, and removes tough, greasy soil from any surface not harmed by water. Better cleaning efficiency is achieved by using a unique combination of environmentally preferred surfactants. Formulated to be effective with cold water, which is better for the environment because it uses less energy. Green Select Degrease Cleaner can be applied with a mop, spray bottle, automatic scrubber or pressure washer.

- Environmentally preferred surfactant blend.
- Concentrated for economical cost-in-use.
- Green Seal Certified.

### **Technical Specifications**

Appearance	Clear
Dilution Rate	1:64, 1:32, 1:21
Color	Golden Brown
Scent	Non-Objectionable
Non Volatile Matter	8.0 - 9.0%
pH @ 25 deg. C	10.50 - 11.50

Flammability = 0 Health = 1 Reactivity = 0

#### Safety

See material safety data sheet and product for safety information, handling and proper use.

### **Certifications, Registrations & Notes**

Green Seal™ Certified

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

#### **Directions**

Light Cleaning: Dilute 1:64 (2 oz/gal).

Normal Cleaning: Dilute 1:32 (4 oz/gal).

Heavy Duty Cleaning: Dilute 1:21 (6 oz/gal).

**Special Instructions:** For degreasing and removal of fats, oils, and grease from floors and walls in kitchens, use at a dilution rate of 1:21 (6 oz/gal). Agitate with stiff brush or moderately aggressive pad. For normal cleaning apply with spray bottle at 1:32 (4 oz/gal) and wipe dry.

When used on sensitive electrical equipment always spray on paper towel or clean cloth and then wipe area to be cleaned. Use trigger sprayer, holding 6-8 inches from surface. For best results use micro fiber cloth. To conserve energy always use cold tap water.
