Directions

Can spray upside down only. Remove protective cap. Shake well. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arms length. It is not necessary to bend down to apply this product. Apply in short bursts until spot or stain is well saturated. Stain or spot will be gone in seconds. For quicker results, blot dry. Excessive deposits of grease, oil, or ink may require additional applications. If necessary, wait until material is dry before reapplying. NOTE: Product should be used at room temperature (70°F). Allow product to warm to room temperature if exposed to lower temperatures. If tip clogs, run under warm water.
