NSF Registered

Directions

Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required. Contains no acid or abrasive substances. Will not leave a powdery residue. Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons. Do not allow overspray to get on floors since it will be slippery.

Safety

See material safety data sheet and product for safety information, handling and proper use.
