

Air Sanitizer Fresh Linen

This product eliminates odors by killing odor causing bacteria from the air when used as directed. As an air sanitizer, this product effectively kills odor causing bacteria to cleanse the air you breathe. As a deodorant, the next generation odor counteractant system chemically bonds with the malodor molecule destroying the odor source instead of just covering up or masking. Odors from mildew, smoke, vomit, feces, urine and putrescence emitting from garbage receptacles, diaper hampers, sinks, drains, toilets, urinals and more are effectively eliminated with this product. Excellent for control of even the toughest odors such as animal odors from veterinary clinics, kennels, litter boxes and pet waste disposal areas. Post-fire odors including cigar/cigarette smoke treatment as well as protein decomposition odors from garbage, fisheries, and other challenging sources are also effectively treated. Especially suited for use in public rooms, lobbies, hallways, conference rooms, homes, bedrooms, living rooms, dining rooms, restrooms, bathrooms/showers, pool or spa areas, pool houses, closets, basements, storage rooms, kitchens, cafeterias, schools, offices, hotels, casinos, hospitals, nursing homes, prisons, laundromats, theaters, auditoriums, railroad cars, heavy truck cabs, airplanes, RVs, campers, boats, cabins, beach houses, buses, taxicabs, sitting rooms, smoking rooms, game rooms, locker rooms, health clubs and fitness centers, factories, mills, department stores, grocery stores, and more. The advanced, low VOC chemistry is hydro-alcoholic with no petroleum distillates or hydrocarbon propellants. The ultra-dry spray has little fall out and is nonflammable. Frequent use will provide refreshed, pleasant air all day that is not just deodorized but also sanitized by reducing odor causing bacteria.

- Kills Odor Causing Airborne Bacteria
- Chemically Bonds to Malodor Molecule to Kill Odor Source
- Nonflammable, Ultra Dry Hydro-Alcoholic Formula
- Low VOC Content with less than 30% by Weight
- Contains No Petroleum Distillates

Technical Specifications

Appearance	Fine Mist
Dilution Rate	N/A
Color	Colorless
Scent	Fresh Linen
Non Volatile Matter	n/a
pH @ 25 deg. C	9.00 - 10.00
EPA Registration No.	EPA Reg. No. 10807-432-1658

HMIS (Concentrate/RTU)

Flammability = 3

Health = 1

Reactivity = 0

Availability

HIL0109854

12 - 10 oz. Cans

Safety

See material safety data sheet and product for safety information, handling and proper use.

Directions

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To temporarily reduce airborne bacteria and eliminate odors, close all air sources as windows, doors, and vents and spray for 10 seconds for an average room (12#x12#x8#). Relative humidity should be 45-75% for maximum effectiveness. Reopen air sources after 5 minutes or until mist has settled.
