

Surfactant Stain Remover

Surfactant Stain Remover is highly effective for removing a wide range of stains including medicinal stains, foods, and greasy soils. Surfactant Stain Remover is a blend of active solvents, surfactants, chelants and alkalinity. It is able to remove difficult stains without harming cotton and synthetic fibers. Puts linen back in service for a fraction of the cost of linen replacement. For Institutional Laundry Use Only.

- Solvent blend
- Contains surfactants
- Ready-to-use formula
